December 6<sup>th</sup>, 2012

Dear Major Gratton,

It has been brought to my attention that you propose to erect a veterans' memorial in the City of Beaconsfield. It is with great pleasure that, on behalf of the Executive Committee and the members of Pointe-Claire Branch 57 of the Royal Canadian Legion, I wish to give you our full support to the project.

The Royal Canadian Legion's mission is to serve veterans and their dependents, promote remembrance and act in the service of Canada and its communities. The installation of a memorial in Beaconsfield will certainly contribute to the Legion's mission and will enable the population of that fine city to properly remember those who died in the service of our nation.

I wish you every success in your application to Veterans Affairs Canada for their funding assistance for this important project through their Community War Memorial Program.

Yours sincerely,

Margaret Thomas  
President
