Dear Major Gratton:

Thank you for your correspondence of 29 September 2013 concerning the Parc des Héros/ Heroes Park in Beaconsfield.

The project will create an important reminder to all of the efforts of the military, police, fire fighters, and paramedics who serve our fellow citizens. On behalf of Urgences-santé, I wish to inform you that we will participate with pleasure in the oversight committee for the park. We look forward to assisting you in honouring and recognising paramedics and others whose service in emergency situations makes us all safer and better protected.

I would like to commend you for the efforts you have put into this initiative. I look forward to the project's development and to its timely completion.

Best regards,
